We cordially invite you and the faculty members of your department/ college to participate and share your views in the coming forth seminar for uplift of the society in general and the New Education Policy 2020 particular. We are really looking forward to learning from enjoying gifted endowments from your being presence and expertise in our quest for excellence.

COLLEGE AT A GLANCE

TarkeshwarNarain Agrawal Teachers' Training College was established in 2009 at "BhagwanShri Hari ki gaon" Harigaon, after the name of the great Philanthropist esteemed Late Tarkeshwar Narain Agrawal, father of Dr. Krishna Murari Agrawal, Secretary of T.N.A.T.T.C., Harigaon.

This College has a well furnished spacious building for B.Ed. and D.El.Ed. wing which is recognised from N.C.T.E, ERC Bhuwaneswar and affiliated from Araybhatta Knowledge University, Patna. It had also got recognition from Bihar Board for D.El.Ed. course.

This college conducts programmes and Teaching learning activities guided by its outstanding example and Unique vision, mission and values etc. which are revised time to time to make the college best in the field of education to erase the old mistakes and to create a new. T.N.A.T.T.C has a strong focus on discipline and further encouraging its faculty and students to undertake seminars, TET preparation classes apart from quality education.

Smt. Shanti Agrawal,
Chairperson,
T.N.A.E.S.W.F., Ara

This Institution is not just a campus that offers Quality Education making achievements possible. By understanding the aspirations of young generation we expose to a nation- wide education and training system. It is heartily blessings for the seminar and welcome to all.

Smt Anita Krishna,
Chairperson,
T.N.A.T.T.C., Harigaon

We believe in Quality Education blended with professionalism. We try our best to create an enabling environment for the society. I take this opportunity to congratulate all our existing students, faculty and staff who join our institution to achieve their life goal.

Dr. Krishna Murari Agrawal,
Secretary,
T.N.A.T.T.C., Harigaon

My aim is to set a bench mark for the institutions. When we talk about Educational Training college, its aim should be to promote life long education, because it is the first step for people to gain knowledge, critical thinking, empowerment and skills they need to make this society better.

Keynote Speaker, **Dr. Kumar Kauslendra** focused that the Government has brought such a New Education Policy 2020 for the first time in the country. Earlier, any Education Policy Could not be implemented in all over the country. An attempt has been made to link the New Education Policy with the Education of Gurukul. We need to think in detail and make it implement the new education policy 2020.

Explained of the NEP 2020 by Keynote Speaker Dr. Kumar Kauslendra, HOD of Chemistry Department, J.J.College, Ara

Special Guest **Dr. Ranvijay**, H.O.D of Hindi Department, V.K.S.U, Ara focused that new time is come to use New Education Policy 2020 in contemporary India. Now we have deny the bookish knowledge through innovations of ICT we can get information about broad outlook sitting at home on a single click. Our country belongs to the Sages, Maharishis and deities so innovation will continue to happen in this country all the time from the ancient period of time.

Focused of the NEP 2020 by Special Guest Dr. Ranvijay, H.O.D of Hindi Department, V.K.S.U, Ara

Guest of Honour **Dr. Rakesh Kumar Singh** Registrar, Aryabhatta Knowledge University, Patna underlined the theme of Seminar and said that Research means to search and we should do such that can be proved not only at the local level but also global level. How can apply Newton's third law in Nanotechnology? We connect our innovation with nature. We can read, write but don't learn. If we take our problem one step ahead then nature will support us ten (10) steps. We have to change our traditional education system and more towards new education system. We are in Teacher training college so, we should publish our Research Papers in a prominent journal by which intellectual persons impressed by reading.

**Focused of the NEP 2020 by Guest of Honour Dr. Rakesh Kumar Singh, Registrar
Aryabhatta Knowledge University, Patna**

Social Worker **Sri Yag Narain Tiwari** discussed that B.Ed. College has an important role in implanting the New Education Policy 2020 because here the students live as teachers. Here we can connect the society with a strong stream by using the new education policy 2020. He blessed success of the seminar.

Chief Guest **Prof. (Dr.) Krishna Chand Sinha**, Vice Chancellor, Nalanda Open University Expressed high gratitude to the entire Educationists, Guests, students-teachers and media who came to Seminar .In his view there is no difference between education policy 1986 and new education policy, 2020 both the education Policy are approx- 17 years old. He focused on detail about the new education policy 2020.Now the time is come we have to think how to use the New Education Policy in the field of Education. In the n New Education policy, children take the be education through their mother tongue. Children should read Aryabhatta and Ramanujan ideology. In the New Education policy pattern of education will be more dependable on the teacher. If we have to innovate the Research in local base and connect it with people. The student will get benefits, because the teacher is best guide of children. Children should teach with love. The assessment of a school is not done by the building, we asses it from the teacher`s work holiness. Aryabhatta has given the concept of zero and Ramanujan has given the concept of infinity, those are main themes of mathematics. The whole mathematics is contained in both there. In the same way, we make an illusion through in New Education policy 2020.

Presented Report of the Seminar in the Valedictory Session by Dr. Rahul Kumar Pandey Convener of the Seminar cum Principal

In the last episode of the seminar the chief guest of the valedictory session **Dr. Latika Varma** Ex- Exam Controller, V.K.S.U, Ara enhanced that the misconceptions about that people have in the National Education policy 2020 will be removed. As much flexibility as is in the New Education Policy 2020, there was no flexibility in before the any education policy. We have to see, how we can make skill development. We cannot teach all the children with the same method, because it occurs individual difference. So, teach a topic is many ways. During covid-19, we did not know how we would teach online. But we learned to teach online by working hard and a new platform was created. She congratulated the organizing committees of the two days National Seminar and wishing the bright future of the student teachers. She advised to move forward with the new education policy 2020. At the end of the seminar certificates were distributed by the chief guest of valedictory session and Chairperson of the College.
